

Iringa Area Birdwatching Tour

Itinerary

Kalenga Wetlands

Kibebe Dam Area

Description

Visit two local birding areas with an english speaking bird expert who will help you identify both endemic and migrant bird species of which there are close to 300.

Feb-April is peak time to view our local birdlife as they are in the mating season and the males are in full color! We will provide reference books for you to read more about the species you see.

Cost is \$20 per person for a morning session
A minimum of 4 participants.

Next session is planned for Saturday Apr 11th
Call 0766 338 334 to book a seat
